

What do my monthly monitoring fees include?

Monthly monitoring fees ensure continued access to the cellular network. To demonstrate the immense value of our monitoring solutions, we've highlighted all the many benefits that are included in this small fee.

INCLUDED:

UNLIMITED TECH SUPPORT

WESROC's unmatched world-class service and support team is available as part of our service. We are here to help as often as needed. You don't have to wait days or weeks for a return call, you'll have the help you need at the time you need it.

DEPLOYMENT ANALYSIS

WESROC will work with you to ensure you are deploying your monitoring hardware at the most cost efficient locations. Our team has decades of industry experience at identifying these tanks and locations. Our consultation is a value added service we offer as part of our service to you.

UNLIMITED NUMBER OF COMPANY USERS

You are able to set up as many WESROC.net users as needed without the worry of additional charges. WESROC allows your company to add any number of users, ensuring access to those who need to view essential tank and asset data.

DATA ANALYTICS

WESROC.net has easy-to-use reporting tools that enable you to view insightful data about your efficiency. This data has proven to increase profitability, reduce delivery labor and vehicle expenses, improve service quality, raise customer retention, improve safety, and reduce capital expenses.

UNLIMITED HARDWARE CONNECTIONS*

Add any number of monitors, base units and transmitters to your WESROC.net portal. We offer a comprehensive range of products and applications that support your business' specific needs.

BACK-OFFICE SOFTWARE INTEGRATION

WESROC eliminates dual processes by integrating your monitoring data with your existing back-office software. We have established formats for the most commonly used back-office software platforms.

MARKETING SUPPORT

To help you differentiate your business, WESROC will work with you to generate marketing tools such as brochures, billing inserts, web and email graphics customized with your logo and messaging. We will even print up to 200 customized brochures for free.

CATALOG OF RESOURCES

To ensure you have the right equipment for the right application, WESROC offers an extensive list of hardware, including float gauges, a wide variety of dials and other unique products.

MOBILE APP

Streamline the installation process with the WESROC Mobile App. Enable your technicians to take the essential functions of WESROC.net with them to the tank site. The app is free on both Apple and Google stores.

PEACE OF MIND

With WESROC you are assured peace of mind by knowing that you have eliminated service failures, improved your employee's safety, and that your deliveries are efficient and profitable.

*Does not refer to cost of purchasing or leasing hardware

WESROC Monitoring Solutions is a division of Independent Technologies, Inc.
